SUPPORT VOUCHERS REGULATIONS

Issuance of non-refundable support vouchers

PREAMBLE

Brasserie Artisanale de Grilly, registered at 840 Route de Divonne, 01220 Grilly, France (hereinafter referred to as "the Company"), is issuing support vouchers as part of a crowdfunding operation.

These regulations (hereinafter the "Regulations") are intended to define the characteristics, rights, and conditions attached to the support vouchers issued by the Company. Any subscription to these vouchers constitutes unconditional acceptance of these Regulations.

TITLE I – CHARACTERISTICS OF THE SUPPORT VOUCHERS

Article 1 – Nature and general characteristics

The vouchers issued by the Company are non-refundable support vouchers. They do not confer upon their holders any right of ownership over the Company's assets, any voting rights at general meetings, or any right to repayment of the invested capital, whether at the initiative of the holder or the Company.

Unit nominal value: **100 € (one hundred euros)** per support voucher

Minimum subscription amount: **100 € (one hundred euros)**

All subscriptions must be a multiple of 100 € (one hundred euros)

Article 2 – Absence of voting rights

Support vouchers do not confer any voting rights upon their holders. Bond holders do not have the status of partner or shareholder of the Company and do not participate in its collective decisions.

Article 3 – Absence of financial remuneration

Support vouchers do not entitle holders to any interest, dividend, or any other form of financial remuneration. The consideration for the subscription consists exclusively of benefits in kind as defined in Article 5 of these Regulations.

Article 4 – Non-refundable nature

The support vouchers issued under these Regulations are definitively non-refundable. The capital paid is permanently acquired by the Company and may under no circumstances be reclaimed by the holder, including in the event of cessation of business or liquidation of the Company.

TITLE II – BENEFITS IN KIND

Article 5 – Benefits in kind attached to the vouchers

In consideration of their subscription, holders of support vouchers receive the following benefits in kind, as described below.

Article 5.1 – Annual allocation

Each support voucher holder receives, once per year, the following allocation:

- 2 (two) 75 cl beer bottles or 4 (four) 33 cl beer bottles offered free of charge by the Company per 100 € tranche

This allocation is granted upon receipt of payment by the Company, and then each year on the anniversary date of that payment. Bottles must be collected within the following 12 months and may not be carried over to the next period.

Alternative with one-time allocation:

The holder may, in lieu of the annual allocation and per 100 € tranche, opt for a one-time allocation of 6 (six) 75 cl beer bottles or 12 (twelve) 33 cl beer bottles, delivered immediately upon receipt of payment. In this case, no further allocation shall be due thereafter.

Alternative without benefits in kind:

The holder may choose a subscription without benefits in kind, thereby allocating the entire donation to the Company.

Article 5.2 – Increased allocation for subscriptions of 500 € and above

When a holder holds support vouchers representing a total nominal value of 500 € (five hundred euros) or more, their annual allocation is increased to:

- 3 (three) 75 cl beer bottles or 6 (six) 33 cl beer bottles offered free of charge by the Company per 100 € tranche

This increased allocation replaces the allocation referred to in Article 5.1. It is calculated based on the total amount of vouchers held by the holder on the anniversary date of the first subscription.

This allocation is granted upon receipt of payment by the Company, and then each year on the anniversary date of that payment. Bottles must be collected within the following 12 months and may not be carried over to the next period.

Alternative with one-time allocation:

The holder may, in lieu of the annual allocation and per 100 € tranche, opt for a one-time allocation of 9 (nine) 75 cl beer bottles or 18 (eighteen) 33 cl beer bottles, delivered immediately upon subscription. In this case, no further allocation shall be due thereafter.

Alternative without benefits in kind:

The holder may choose a subscription without benefits in kind, thereby allocating the entire donation to the Company.

Article 5.5 – Distribution arrangements

The bottles are, in principle, to be collected on site at the Company's registered office. If on-site collection proves impossible for the holder, the Company will endeavour, in consultation with the holder, to find an appropriate alternative delivery solution; any costs arising from such alternative solution (shipping, delivery or other charges) shall be borne entirely by the holder.

Article 8 – Maintenance of the register

The Company maintains a register of support bond holders (hereinafter the "Register"). This Register is updated upon each subscription, transfer, or modification relating to the vouchers.

The Register records, for each holder, the following information:

- First and last name (for natural persons) or company name (for legal persons) of the holder
- Postal address and email
- Number of support vouchers held and amount
- Date of voucher acquisition
- Choice of benefits in kind (annual, one-time, or without benefits in kind)

Each holder may request, in writing, to access the information concerning them recorded in the Register.

Article 9 – Transfer of vouchers

Support vouchers are freely transferable inter vivos. Any transfer must be notified to the Company, accompanied by identification documents of the transferee. The transfer takes effect with respect to the Company from the date of update of the Register.

In the event of partial or total transfer, the rights to benefits in kind are transferred to the transferee in proportion to the vouchers transferred, from the date of update of the Register. The anniversary date of the transferor's initial payment is retained for calculating the transferee's annual allocation.

TITLE V – MISCELLANEOUS PROVISIONS

Article 10 – Amendment of the regulations

The Company reserves the right to amend these Regulations, particularly with regard to the practical arrangements for distributing benefits in kind. Any amendment shall be notified to holders by any appropriate means with a minimum notice period of thirty (30) days before it comes into effect.

Amendments may under no circumstances reduce the number of bottles to which a holder is entitled under Articles 5.1 and 5.2 of these Regulations, except with the express agreement of the holder concerned.

Article 11 – Processing of personal data

Personal data collected at the time of subscription and entered in the Register are processed by the Company strictly within the framework of managing the support vouchers and associated benefits, in accordance with the General Data Protection Regulation (GDPR) and applicable French legislation.

Each holder has the right of access, rectification, and erasure of their personal data, within the limits compatible with the legal obligations for maintaining the Register. These rights may be exercised by contacting the Company at its registered office address.

Article 12 – Applicable law and disputes

These Regulations are governed by French law. Any dispute relating to the interpretation, performance, or validity of these Regulations shall be subject to the exclusive jurisdiction of the competent courts in the jurisdiction of the Company's registered office, unless mandatory legal provisions provide otherwise.
